

BUSINESS INSURANCE SOLUTIONS

DCCS IS A SINGLE POINT OF CONTACT SOLUTION FOR ALL YOUR BUSINESS RESOURCES

Protect your business and assets with custom business insurance.

Commercial Auto · Cyber Threat Insurance · Group Benefits · General Liability · Workers Compensation

COMMERCIAL AUTO

Commercial auto insurance provides liability and physical damage protection for fleet vehicles that are used for business. Commercial vehicles require a separate policy because they're typically exposed to more risk than personal vehicles. We can help customize coverage to match your budget!

SUPPLEMENTAL INSURANCE

We can help you explore supplemental plans, like dental, vision insurance, disability and life insurance that can help you plan for life's unexpected events.

GROUP BENEFITS

We help companies big and small to set up and manage their employer health insurance and benefits programs. We offer all plan options from group to individual plans to help decision makers choose the best options for their situation. We offer expert analysis to ensure that you have the best coverage to match your budget.

GENERAL LIABILITY

There are many different plans and options when choosing General Liability insurance. With the right liability insurance plan in place, you can protect your business from a lawsuit. Certain businesses face more risk of accidents or injuries, our experienced agents at we will analyze your business to find the best General Liability plan to meet your needs.

WORKERS COMPENSATION

We have providers specializing in the placement of guaranteed cost Workers' Compensation. Our providers have many years of experience in the areas of underwriting, claims management and loss prevention. Let us help you find the best coverage.

HOW WE EVALUATE INSURANCE NEEDS:

YOUR NEEDS FIRST · TIME SAVINGS · FOCUSED ON YOU · BEST VALUE · FLEXIBLE SOLUTIONS · SMART OPTIONS
