DCCS

MERCHANT SERVICES

DCCS IS A SINGLE POINT OF CONTACT SOLUTION FOR ALL YOUR BUSINESS RESOURCES

Our provider has the best solution for B2B & B2C payments, allowing your business payment operations to run smoothly with an E-commerce, Online or in-person payment.

Shopping Cart · Email Invoicing · Key-in Transactions (card not present) · Recurring Payments & Billing · Fraud Prevention Tools Multiple Reporting Options · Interchange Savings for B2B & B2C · QuickBooks Integration Capability · Optional Card Reader

CREDIT & DEBIT CARD PROCESSING
Many consumers only carry plastic these days. Our providers offer competitive rates with the most dependable and secure processing available.

NEXT DAY FUNDING
Normally, it takes two to three business days for deposits from transactions to appear in a business' account. Next Day Funding gives qualified cash they need the next business day.

CASH ADVANCE
Running a business is costly, and expenses sometimes hit you out of nowhere. With a cash advance, you can get the cash you need quickly with a little paperwork.

CUSTOMIZED REPORTS
Have access to a secure portal that provides data to help drive forward for your business.

NON-CASH ADJUSTMENT
The non-cash adjustment program gives merchants the ability to lower or, in some cases, completely offset their processing costs by offering a discount to customers that pay by cash or check.

SECURITY
We help your business become PCI Compliant by protecting your customers' personal financial data.

GIFT CARD & LOYALTY PROGRAMS
Consumers usually spend 20% more when using gift cards. Boost your revenue and acquire new customers with our secure flexible gift card program.

ONLINE PROCESSING SOLUTIONS
Take yourbusiness online with a variety of payment gateway options that can integrate with most websites and shopping carts.

LEVEL II / III PURCHASE CARD SAVINGS
Transactions are automatically detected to give you the benefit of Level II and Level III data, giving your business savings in just a single click.
